Faith,

Thanks for organizing the call today. I forgot to follow up on the request that I made last week to see a copy of the RFP for the design-build portion of this project that is now closed and unavailable on the City's website. Someone was going to send it to me; I have yet to receive it.

Thanks,
Elaine

Subject: Honolulu Rail Section 4(f) Evaluation

Hi Everyone -

The Section 4(f) Evaluation for the project has been raised during several meetings of the Section 106 Consulting Parties by the National Park Service. In order to respond to this, I have scheduled a conference call for Monday, September 28th, 8:30 a.m. The call in information is as follows:

Call in number: 1-888-742-8686
Conference ID: 1657330

My understanding is that the concern of NPS is regarding the schedule for their review of the Section 4(f) evaluation and how that relates to the completion of the Section 106 Programmatic Agreement.

Hope you can participate in the phone call.
